CENTURY 21 EPIC Valley of the Moon
6580 Oakmont Drive
Santa Rosa, CA 95409

Breathtaking views of Hood Mountain and Sugarloaf Ridge abound in this beautifully designed, light-filled home. Spacious living room has vaulted ceilings, and the large dining room offers a built-in buffet. The private rear patio/deck is wonderful for entertaining or enjoying the quiet. The expansive primary suite includes a sitting area, walk-in closet, and dual-sink vanity. A third bedroom, currently used as an office, provides stunning views and flexible space to suit your needs. Solar panels and a battery back up provide energy efficiency and safety. Downstairs, an extra room currently serves as a private gym, but could easily transform into a guest suite, playroom, media room, or creative studio. An electric chair and dumbwaiter address concerns about stairs, providing easy access between the garage and the single-level living area. This is currently the best price per square foot value in all of Oakmont! Enjoy the good life in this active-adult 55+ community with golf, swimming, tennis, pickleball, hiking, and more in the heart of Sonoma County's Wine Country.
